

# TIMOTHY'S COFFEES OF THE WORLD INC.

## Fraction Pack Varieties

### DARK ROASTS

#### Colombian Milano (4x24x2.5oz)

*Our Colombian coffee beans, roasted to espresso perfection. Bittersweet and aromatic with full-roasted coffee flavour.*

#### Parisian Nights (32x2.2oz)

*This Classic Timothy's Parisian roast has been made thicker just for you. More coffee to power through Cream and sugar while staying true to it's taste.*

### MEDIUM ROASTS

#### Private Blend (4x24x2.5oz)

*The smoothness of Central American coffee brightened with the sharp intensity of African coffee beans.*

#### Colombian LaVereda (4x24x2.5oz)

*An intense fragrance with exotic floral notes, balanced body and acidity, distinctive fruity and citric overtones.*

#### Italian Blend (4x24x2.5oz)

*One of our mild dark roasts. A very smooth, light espresso blend - more sweet than bittersweet - great in any afternoon either with biscotti, a rich cannoli, or gelato.*

#### Hawaiian Kona Blend (4x24x2.5oz)

*Delight in Timothy's new Kona blend straight from Hawaii. This mouth-enlivening brew will transport you to the Hawaiian Islands where you will enjoy the taste sensation of tropical fruits and hints of chocolate.*

#### Nicaraugan Fair Trade Wiwili

(32x2.2oz)

*A well-rounded coffee that awakens your senses as you indulge in the full-bodied and smooth flavor.*

### MILD ROASTS

#### Breakfast Blend (32x2.2oz & 4x24x2.5oz)

*An eye-opening blend with a smooth, easy-going flavour - made complex with sweet, aromatic Costa Rican and smoky Guatemalan coffee beans.*

### FLAVOURED VARIETIES

#### Hazelnut (32x2.2oz & 4x24x2.5oz)

*A luscious combination of roasted hazelnut and French vanilla cream. Our best-selling flavoured coffee. Perfect for dessert!*

#### French Vanilla (32x2.2oz)

*The taste is decadent but the effect is quite virtuous, with the subtle sophistication of all-natural vanilla. Perfect with - or instead of - dessert.*

### DECAFFEINATED

#### Colombian (4x24x2.5oz)

*A 97% caffeine-free and pure Colombian coffee that retains most of its original coffee character because of the efficient decaffeination process.*
